Dedication

Isaac Newton takes pleasure in dedicating this Yearbook to

MR. J. H. ARMSTRONG

upon his promotion to

THE PRINCIPALSHIP AT SHAUGHNESSY HEIGHTS SCHOOL

Mr. Armstrong came to Isaac Newton in September, 1938, as teacher of history, business arithmetic, and composition. He soon became interested in rugby and first assisted Mr. Connaghan in managing the team. Since then he has managed it himself for thirteen years. As manager he has seen the school through many successful years. In 1940 his team won the Provincial Championship; in 1943 it was defeated only in the last game and in 1946 it won the Provincial Championship. Though other years were good, these were the best.

Mr. Armstrong attended a country school during his junior grades before completing Grade XI. He then went on to Normal School and while teaching, completed his B.A. Degree. He taught at Water District, south-east of Winnipeg, at King George and Queen Elizabeth Schools in Norwood, then moved to the city and taught at Norquay and Isaac Newton. His new position is that of "teaching-principal" at the new Shaughnessy Heights School. He feels that the work may be strange at first, but that he will enjoy it because of the opportunities and experiences which it will offer.

To quote his own words:

"I wish I were leaving the school when it was at the top of the rugby field, instead of at the bottom. The years I will most remember at Newton will be the first and the last, although I will never forget the students of all years. I not only leave a swell group of students, but, also, a wonderful staff. In the future, the boys of Newton themselves must show a determination to win. Supporters, too, must show a keener loyalty toward the school and team. The success in rugby depends on the fellows who play the game, so I feel Isaac Newton has a future in all sports even though there is a great tendency to become discouraged."

We will all miss Mr. Armstrong's friendly greeting and cheery smile at Newton. However, we know he will not forget us. We wish him every success in his new position.

Principal's Message...

So you too are joining the vast throng that has left our school to seek further education, adventure, service and happiness! I hope that you carry with you many pleasant

memories of your few years with us at Newton and I also hope that you are well prepared for the next stage in your career so that you will get a thrill as you proceed to new fields to conquer.

What are the memories that you carry with you? At the teen age, boys and girls are at an impressionable period during which they are eager to imbibe the lore of the past, readily inspired by teachers and colleagues, enthusiastic about games, social life, operas, dramatics and music. Many consider this to be the most interesting period of life hence it brings the rich treasures of youthful experience which will brighten the decades that follow.

Are you prepared for this brand new career that you are about to enter? If you are, then each new difficulty will be a challenge not an impediment to your career. To co-operate fully with your colleagues and your employer, to do your job thoroughly, always seeking that more distant goal of higher achievement, to give friendship and to inspire it in others, to cultivate your own personality and mind in an ever broadening field, these are some of the marks of your preparedness as you reach out for new fields that bring to you interesting responsibilities.

Wherever you, our graduates, may go, whatever you may do, we, the staff of Newton, will wish you well, will welcome you when you come back to visit us, will counsel and confer with you when you have need of us and will rejoice in your achievements because you belong to us.

H. E. SNYDER,
Principal.

MILDRED JOHNSTON

BETWEEN THE COVERS OF THIS BOOK, we have collected a record of the main activities of the past year. We hope that it will bring back treasured memories of your school life. As the years pass by and you turn these thumb-soiled pages, you will recall a forgotten face, an enjoyable event or a cherished memory.

It is true that we, who leave Newton this year, may not be able to attain fame or perfection but our years in high school have done much to strengthen our characters and stabilize our thinking, so that, when we go out into the business world or on to University, we shall be capable of making the best use of our gifts and faculties.

Let us strive to attain to our school motto, "Vincit qui se vincit" — he conquers who conquers himself, for "He is strong who conquers others; he who conquers himself is mighty".

Remember, the road to success is not to be trod by leaps and bounds. Step by step, little by little—this is the way to Wisdom, Prosperity and Happiness.

Editor-in-Chief

MR. AVERY LEAVES NEWTON

It was with genuine regret that the students of Newton parted company with one of their favorite staff members, Mr. H. C. Avery. During his time as a teacher at Newton, "Chuck", as he was affectionately called by his pupils, contributed wholeheartedly to the success of the school's educational, cultural, social and sporting activities. It was perhaps in the latter field that he left his greatest impression on our school life, for during his years as physical educational instructor he piloted the Junior and Senior Soccer teams to three consecutive High School titles. Under his watchful eye, Newton track and field enthusiasts shone at inter-high and provincial meets, and a number of new records were established as a result of their efforts.

As a teacher, Mr. Avery was liked by all. He had that wonderful knack of making ordinarily boring subjects, such as Mathematics and Science, appeal to students who would much rather be chasing a basketball. This singular ability certainly marked him as a good teacher.

Now that Mr. Avery has moved on to other fields, we shall miss his ready smile and friendly manner, but we wish him success in his new work.

Newton also welcomes Mr. Mozel, Mr. Avery's able successor. We hope he will enjoy his work here, and we are confident that he will soon become a very popular member of the staff.

GOVERNOR-GENERAL'S MEDAL

Ron White is the recipient this year of the much coveted Governor-General's Gold Medal — much coveted for it is given only to the student in the school who has achieved outstanding grades in scholarship and who has displayed notable qualities of leadership and character.

Ron has been an honor student throughout his stay at Newton with a full course of studies and a heavy extra-curricular program of activities. In the musical sphere, Ron took part in two operas, a Christmas Concert, the Musical Festival, and has always been a member of the Glee Club.

In the world of sports, we saw Ron on the basketball floor for Newton's senior team and also for the W.L.I. Juniors. He also took part in inter-room basketball, hockey, volleyball, baseball and field day. He served on the administrative side too, as a member of the Athletic Committee.

As a citizen of the school, Ron was president of his classroom for two terms in each of two consecutive terms. He therefore served on the Students' Council and this year in an honorary capacity.

Business Manager of last year's Nor'Wester, Ron has served in the same capacity on this year's Newtonian.

In 1949-50, an "N" award recognized him as a student of all round ability.

Ron plans to return to Newton next year and after that he intends to go on to study Architecture at the University. We are confident that he will succeed in all his enterprises, for this medal is a token of that appreciation of his present achievements and of our confidence that he will always be a scholar and a leader.

Isaac Newton Scholarships

GENERAL

One of the runners-up for the Governor-General's Medal is **Nancy Saranchuk**. This year's valedictorian, Nancy is also a member of the current Year Book Staff. In the musical world she took part in the Mikado and in this year's Christmas Concert.

She was awarded a Latin Medal for full marks in a nation wide examination last year. Besides this she was an active member of the Drama Club and School Choir.

Nancy is planning to return to Isaac Newton next year and then go on to University to study Science. We are sure that she will live up to the standards she has set for herself. The staff and students wish her every success in future undertakings.

COMMERCIAL

Nancee Konyk, a very active member of the student body, was also a runner-up for the coveted Governor-General's Medal. Active in sports as well as dramatics, Nancee was on the school Junior Volleyball team and also took part in inter-room volleyball and basketball. She has exhibited her fine executive ability in her position as class president, secretary of the student council, and as a member of the Inter-High Congress. Besides holding an important position on the Year Book staff, Nancee has given evidence of her singing talent for she sang in all the school choirs.

Nancee plans to return to Newton next year and continue her commercial studies. We are certain that she will continue to uphold her fine standards as a student and a leader.

Room 20

NICK BORYS

Nick Borys is an addition to our class,
Loves Newton, Canada, and a certain pert lass!
He dislikes the idea of school starting early,
That's why he tip-toes in at 9:30.

ALEX DUDYCH

The "Shadow" is seldom seen or heard
And out of him escapes barely a single word.
He is an ardent hockey and basketball fan,
But to be an engineer is his plan.

ELSIE HENRY

Elsie is a quiet girl
Who wants to be a teacher,
And so her life will be a whirl
Till she's led before a preacher.

MIKE KIEDYK

Fisher Branch's loss is Newton's gain,
Even here Mike has continued sane,
Quite conscientious with an innocent look.
Likes fun, but knows what's in the Book.

BARRY KRAWCHUK

A talkative person with a deadly line,
He stretches in maths to kill some time,
Full of jokes, laughs and fire,
To know more than nothing is Barry's desire.

MIKE LISCHINSKY

"The Boss", a lover of the finer books,
Is entranced with poetry, by his looks.
Graduated early in the spring
To give life an extra fling.

ONA OLYNYK

To be a pharmacist is Ona's aim,
And we know she'll make the grade.
In future years, when we've all made fame,
Our memories of her will never fade.

PAUL RAPINCHUK

"Genius" left us early in spring
To make an extra dollar,
Now he sports Cadillacs and many a thing
Since he's proud to be more than a scholar.

BOHDAN SEMCHUK

"King of the Saddle", expert in golf, too,
In Y sports and room hockey a star,
His knowledge is wide, though his words are few,
But women(!!) he views from afar.

Grade 12

But a capable replacement now represents his clan.
Walter Diduck is now our gifted musician,

Cracks jokes and is very persistent.
Many a time he bursts into laughter,

And at his school work—what a man!

Roman Nawrocky has sure some pep,
And at his studies is quite adept.
He wants to be a pilot when he's older,
But to us femmes, shows a cold shoulder.

TEDDY PETRIE

"The Brain", we admit deserves high acclaim,
For to win a second scholarship seems to be his aim.
He's brawny, bashful, handsome and neat,
And once, in class, even uttered a peep!

HELEN RISCHINSKY

Here is Einstein's follower true,
Though she's never home at nights.
Music to her is not something new,
And her drawings to us are delights.

Plans to go south next fall with the birds.
Truly an exception among all males,
And to our amazement tells good tales.

When she's gone Mr. Babb says "Thanks".
To be a nurse she has in mind,

And a sense of humour that's bound to win.

On Eaton's Junior Exec. is on the beam.

In her studies she's not to be called a shirker,
Through her exams she's bound to lead
And as a lab tech., she's sure to succeed.

And on our hockey team, played right wing.
This shocking live-wire has an infectious grin
Which certain young bellies hope they might win.

FIRST TERM

No sooner had everyone adjusted themselves to the grind of school life than the First-term school elections were called. To climax the colorful, hilarious and spectacular campaigns, Bill Byskal and Millie Johnston emerged as president and vice-president of our Alma Mater. Nancy Konyk was elected by the Council as Secretary.

The chairlady of the Social Committee, Laura Artes, deserves applaud for her magnificent work in organizing our terrific socials which were both a financial and social success.

Thanks to Mike Zarzycki, Auditorium period chairman, the students were able to miss a few classes and enjoy some school-time fun.

The Athletic Committee, under Fred Ingaldson's supervision, arranged two Inter-School basketball games and dances and secured sports equipment

for the students. They deserve credit for their fine work.

Last but not least, "thanks-a-million" goes to Mr. Mark, our staff advisor who guided and assisted the students whenever possible.

Once again, Newton became an active member of the Inter-High Congress through her delegates Nancy Konyk and Leon Sokalski. Noon hour dancing and ping-pong were arranged by the Council for the noon-hour "fans". The high-lite of the first term, Career Nite, was planned and organized by the Council members and proved to be successful for both students and their friends. If any important matters came up the Council immediately held a special meeting and gave them prompt attention.

It was through the combined efforts

of our student officers, Bill Byskal and Millie Johnston that the first term wound up so successfully. Their keen executive ability, and their aggressive-

SECOND TERM

Once again the tranquility of our school was disturbed with the second term's rather quiet campaigns. This time Leon Sokalski and Millie Johnston were elected to the executive offices of the Students' Council. Energetic Verna Soroka was secretary.

Three cheers and a bow for our energetic Social chairlady, Shirley Hogue for her fine work on this committee.

More applauds are due to Fred Ingaldson for the excellent job he has done in securing athletic equipment for the students and for the well-made Field Day plans.

Bob Ketchen, chairman of the Auditorium Period Committee, secured several programmes for the enjoyment of the students.

ness as well as the support of the student body led the school through a successful term. Their job was more than well done.

Last, but not least, was our staff advisor, Mr. Mark, who, under the supervision of Mr. Snyder, guided the Council through its difficulties.

Newton's activities during the second term were handled efficiently by the Students' Council. Our long-lost Nor'-Wester once again appeared before the eyes of the students. Plans for our successful graduation were organized through the Council, Mr. Snyder, and the members of the teaching staff. Our school remained an active member in the Inter-High Congress and helped to plan and support the Inter-High Dance.

The co-operation of the students with their Council in its endeavours was entirely responsible for an enjoyable and successful term. Congratulations for a job well done.

SOCIAL COMMITTEE

FRONT ROW—Don Schaefer, Miss Nelson, Vi Smallakoff.

SECOND ROW—Ted Zapp, Shirley Hogue (2nd chairlady), Mildred Johnston, Leon Sokalski.

MISSING—LAURA ARTES (1st chairlady).

The Social Committee of '50-'51 deserves congratulations for their hard work and success in organizing school socials.

They not only had a talent for making each dance better than the one before but thanks to the support of the students — especially the Freshies — they managed to have a tidy profit over each time.

Laura Artes capably handled the difficult job of Social Chairlady and deserves much credit. Her committee — Tedd Zapp, Mildred Johnston, Leon Sokalski, Vi Smallakoff, Shirley Hogue, Don Schaefer along with the social representatives gave fine co-operation.

Miss Nelson headed the Staff Committee composed of Miss Griffiths, Mr. Avery, Miss Sproull, Mr. Armstrong and Mr. Robson. We thank the staff for help and guidance.

Last year the support of the student

body and graduates was considered outstanding, but this year we have achieved even greater success. This was due to good organization, careful planning, enjoyable entertainment and, most of all, to student interest in this important school activity — Our Socials.

Three cheers and a tiger for our Social Committee. Let's keep up the good work next year.

Clara C.: (in parlor): Momma! Come here and make Dick stop teasing me.

Momma: What is he doing dear?

Clara C.: He's sitting on the other end of the davenport.

"PUMPKIN PROM"

The first dance of the year was held October 27 at Newton. Interest in this dance was heightened by the Freshie Contest. Each Grade 10 class nominated a boy and a girl, the night of the dance the candidates were interviewed by Mike Zarzycki and judged by the Social Committee. Mildred Johnston crowned Harry Gibson as "King" and his "Queen", Helen Mudlo was crowned by Bill Byskal. The many Grade 10's supporting this dance promised a good social year.

"SWEATER SWIRL"

The beautiful Auditorium at Inkster School, December 1, was filled to capacity with Newton students and graduates for this dance.

Walter Bard was the M.C. The rather long program consisted of vaudeville comics, a skit on the interesting topic of marriage, The Smith Brothers and even a pie-eating contest.

This dance proved for a certain fact that the smooth-running Social Committee was going to provide excellent entertainments.

"SNOW SKUFFLE"

The annual Tramp was held on a warm and balmy winter evening in January. After their "short" walk the trampers returned to the school to make short work of the free dogs and cokes. The ever busy Social Committee worked upstairs for hours preparing the food — which no doubt was greatly appreciated by everyone.

There was dancing in the Auditorium and so ended another successful School Tramp for another year.

"HEART BEAT JUMP"

Easily described as the "success of the year" was the Heart Beat Jump held at Inkster School, February 16. The famous Mr. John Brown of the Blue Bombers was our congenial and highly successful Master of Ceremonies.

The program, too, was the best seen at Newton for a number of years. Walter Diduck played the violin and the Smith Brothers entertained us again. To add to all that seven pretty girls dressed in cute costumes did a terrific chorus line number to introduce Suzie to the Audience. And who was Suzie — who else but one of the famed Harlem Boys — the ever popular Fred Ingaldson.

Newton's beloved Mr. Armstrong was presented with a mantel radio by the Senior Students and also a kiss from "Suzie".

"PORTAGE vs. NEWTON"

Early in March, Newton played host, at Sargent Park School to two basketball teams from Portage la Prairie. After the games a dance was held, with Fred Ingaldson as Master of Ceremonies. An exhibition of square dancing was given much to the general enjoyment. During intermission, the Harlems entertained the crowd. Fred Ingaldson, Eddy Leipz and Jim Komishon sang three songs in their own inimitable manner.

This evening gave an opportunity to renew friendships made when our teams visited Portage.

GLENLAWN-NEWTON-NORWOOD TILT

On March 16, two exhibition basketball games were played at Inkster. Newton Seniors vs. Glenlawn, and Newton Jrs. vs. Norwood. Both games proved to be thrillers. Our teams had to work hard to maintain their undefeated records.

A dance was held afterwards with Newton entertaining the two visiting schools. President Leon Sokalski was the capable Master of Ceremonies.

These basketball dances proved very popular with the students and the Athletic Committee are to be congratulated on the way in which the dances were handled.

MAY TIME RHYTHM

The last dance of the year before Grad. was held May 23 at Inkster School. We had Eaton's Bandbox to provide the music and our M.C. was the famous Jack Shapira. Our Graduation Dance held also at Inkster was a fitting climax to a highly successful Social Year at Newton.

Other School Events . . .

OUR AUDITORIUM PERIODS

This year the Newton Student Council again provided entertainment in the form of auditorium periods.

At the first of these periods we heard the candidates in the fall election campaign. At our Remembrance Day Service Rev. S. McLeod, a veteran of the recent World War gave us an inspiring message in remembrance of those who gave their lives in recent World wars. At the next assembly Mr. Barbour, Director of Recreation of the City Parks Board, spoke to the students on "Greats of Sport" and on the Grey Cup Final.

Beginning the New Year right, John Brown of the Blue Bomber Rugby Club, gave an enthusiastic outline on Sportsmanship. In February the elections for the second term got underway again. The next assembly was arranged by the Junior Chamber of Commerce. They stressed the importance of careful driving by showing a film and giving a talk dealing with the subject.

The final assembly took the form of a film dealing with soil conservation, sponsored by the Canadian Forest Division.

We appreciated the efforts of the Student Council and all others concerned and we hope we will continue to have as entertaining gatherings in the future.

DRAMA CLUB

Under the capable supervision of Mr. Robson, the Drama Club provided the students with two Oscar Award Winning performances "Why I Am A Bachelor" and "The Three Timer". These earnest efforts of Newton's own Oliviers and Swansons were proof of their efficiency as theatrical people.

The first play, "Why I Am A Bachelor", under the capable direction of Shirley Hogue and Mildred Galanchuk was the highlight of the drama year. The second play under the supervision of Mildred Galanchuk and Jean Fuga was not quite as humorous as the first but gave the cast an opportunity to show real ability.

The make-up and property groups, working behind the scenes, deserve credit for their fine work.

TRI-HI-Y

In the fall, a group of 40 ambitious girls gathered each Thursday night at Newton to form Newton's first Tri-Hi-Y Club. During the course of the year the girls played volleyball, basketball and ping-pong as well as competing in several inter-club tilts. In spring, The Heart Flip Flutter was held.

Club officers were: President, Laura A.; Vice-President, Mary M.; Secretary, Mildred J.; Sports Rep., Irene S.; Social Rep., Jean F.

NEWTON'S INTER-SCHOOL FELLOWSHIP

"Study to show thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth."

II Timothy 2:15

We in the I.S.C.F. group at Newton have attempted to obey this command of God's through our study of His Word both at group meetings and in our own personal devotions. Once each week we meet in order to help fulfill our motto:— "To Know Christ and Make Him Known." We not only study the Bible but also enjoy social evenings with I.S.C.F.'ers right through the city.

This year Jean Zajac and Helen Rischinsky were president and secretary respectively, while Genevieve Stark, a former Newtonite, sponsored the group.

CAREER NIGHT

At last Newton's dream of having a Career Night came true! On this night many speakers, all prominent men and women were present who represented various professions or occupations, such as — medicine, radio, law, stenography, etc.

Newton's first Career Night was a decided success. This was due largely to the well-informed speakers and the excellent support of the student body. We heartily thank one and all for the interest shown in this venture and hope that in the future we may have many more successful projects such as this.

Former Grads . . .

HELEN STARK

Six months of early rising, studying and hard work has finally brought reward to our industrious Helen Stark. She now has her nurse's cap, the first step on the way to the R.N. degree. Always unselfish and generous, Helen should do well in her chosen profession.

While at Newton, Helen was a Junior Councillor, editor of the Newtonian Grad Column, an energetic member of the School Council, and president of the I.S.C.F. As Pittising, she was a wonderful addition to Newton's 1950 Mikado. She will graduate in 1954—and we feel sure that she will succeed in whatever she undertakes. Good luck, Helen!

DAVE FRASER

Former school president and one of the most popular members of the student body, Dave held many other important positions during his three years at Newton. He was the very efficient property manager of the "Mikado", an active member of the Newtonian Staff, and secretary of his class—just to mention a few.

Dave has many hobbies to keep him busy. He is interested in guns, classical music, and belongs to the Puffin Ski Club. He is now registered at United College, and intends to specialize in Physics and Maths next year. His friends at Newton wish him success and will be watching his career with interest.

JOHN STROPPIA

Sports at Newton were thriving in 1941-43. Johnny Stroppa, famous Rugby Rookie of 1949, was then an active Newtonian. Basketball and rugby were his games.

In 1943 Johnny, a member of the Newton Championship team, was chosen for both Free Press and Tribune All-Star teams.

After leaving Newton, John moved to Brandon where he played soft-ball. Now, an employee of the Imperial Oil Company, he tried his hand at curling this winter.

Present Newtonians are proud of Johnny and other Grads with the Bomber Club. We hope to see them bring the Grey Cup back to Winnipeg this year.

We're all pulling for you, Johnny!

FRANCES KAGAN

Former Newtonian, Frances Kagan, recently returned from Quebec after ten months' post-graduate work in French, graduated in Arts from St. Mary's Academy in 1948 and from Faculty of Education in 1949. She secured her A.R.C.T. degree in music and took three courses in French at famous Laval University. She represented St. Mary's as University Queen candidate and was Lady Stick in her final year.

At Newton, Frances played inter-high volleyball and basketball and was a champion ball-thrower. Prominent in all activities, she contributed especially to musical projects.

Last year Frances taught at the William Whyte School and this spring we have been glad to welcome her back to Newton.

The BAY Canada's First Store

It's an old Western custom to shop at the Bay . . . a habit that has descended from generation to generation. This year we are glad once again to welcome as customers and friends, a new generation of eager, bright-eyed young graduates.

To each one we say sincerely "Congratulations and Best Wishes for Success in your chosen career."

SPORTS

BOYS' SPORTS

This year sports activities in Newton started on the gridiron. Although Newton made a good showing in the scheduled games, they gained nary a laurel. However the teams are to be congratulated in their splendid exhibition of sportsmanship and drive. Following this came soccer, volleyball and basketball. We are indebted to the two championship teams in basketball, namely the Senior Girls' cagers and the Junior Boy's Hoopsters who captured the City Championships. Ye old Black and Red is very proud of the fine record established by the Junior basketball team who glided through their schedule undefeated. Although Newton boasted no senior team in the Inter-High Basketball League, they managed to put on several exhibition tilts with outlying and suburban schools, and made out very well on all occasions. During the winter months sports activities took the form of inter-mural basketball, hockey, volleyball, and curling. The co-operation given to the organizers of such events was indeed excellent. Other activities indulged in were ping-pong, comic basketball, gymnastics and speed-skating.

To the athlete directors, Miss Mackay and Mr. Madder, and to the coaches, Cam Doherty, Hal Mauthe, Al Glovitski, Bruce Allan, Bob Ketchen, Jim Komishon and Fred Ingaldson, we extend our hearty congratulations on the wonderful success of their teams and on the splendid spirit displayed in all athletic activities in the '50-'51 year. May Newton have equally successful sports campaigns next year and in the years to follow.

We Die Hard . . .

This year the fortunes of the Newton Rugby Team sank to a new low with another winless schedule, but the sincere efforts by the players showed again that the Newton gridders still maintain their keen desire for a winning team. Under the able management of Mr. Armstrong, Mr. Babb and Mr. Maddar, the boys worked hard and played their best.

Although the team as a whole was unsuccessful, two out-standing members of the squad gave all they had in defeat and were selected on the city newspaper's "All-Star Team". They were half-back Joe Krutish whose magnificent running caught the eye of Free Press sport scribes, and Nestor Mickoski, captain of the team, whose expert pass catching and constant hustle gave him a position on both Free Press and Tribune teams. Honourable mention was given to Ted Ferens and Allan Kist.

Congratulations to coach Cam Doherty and Terry Hanna! Their expert advice, the inspiration and drive they instilled into the team paid off in a smooth working unit who fought to the end.

SUMMARY OF GAMES

Newton vs. Kelvin . . . (0-17)

The rookies were just getting used to the Osborne Stadium turf in this game and looked as if they would do quite well in the remainder of the series. Mickoski, Krutish and Koncur played well.

Newton vs. St. Johns . . . (6-30)

The team seemed to be going well until they fell under a terrific offence by the Tigers in the second half. Nestor Mickoski scored the lone touchdown on a 60 yard run and Allan Kist kicked the extra point.

Newton vs. Gordon Bell . . . (10-20)

Newton was rolling in the first quarter but folded in the other three and ended with their third straight loss. Joe Krutish and Albert Glovitski scored the touchdowns.

Newton vs. Daniel MacIntyre . . .

Newton conceded the game to Daniel MacIntyre due to injuries in the line-ups and ended the year without a victory, but with hopes of a brighter future and another championship.

SECOND ROW—Orest Bartman, Ted Horoshok, Don Price, Ed Yuzwak, Bob Wagner, Ed Dolhun, Ed Lipinski.

Jr. Soccer Squad

This year's Junior Soccer Team did not win any soccer honours, but in every game they exhibited the typical Newton fighting spirit. As well as upholding the school's good name the Junior High graduates showed some fine teamwork and soccer savez by recording a better than average record—2 wins, 2 losses, 1 tie.

We would like to express our appreciation to the coach, Mr. Madder, who gave up much of his precious time to come out to the practices to impart his own knowledge to the young soccerites.

Center Ed Dolhun, insides Bob Kostiuk (Capt.) and Orest Bartman, winger Ted Horoshok, and Ed Yuzwak

proved to be a formidable front line capable of outhustling their opponents, big or small, but generally big. The halfbacks, center-half Joe Churko, right half Ed Lipinski and left half Ron Sykes, did yeoman chores in stopping the opposition before they really got rolling. Ed Zakala and Don Price were the kickers of the team and formed a more than adequate defence in front of goaler Bob Ketchen. Bill Swystun, Willie Zambik, Bob Wagner and Irvin Bakun rounded out the team.

Sr. Soccer Squad

The senior soccer players were set on retaining the Championship crown for the second consecutive year. However, rugby interfered and put a crimp in Newton's hopes. Nevertheless our boys did not give up without a real struggle.

In their first debut, they met the Gordon Bell eleven, with only seven fighting hearts. The Newton squad fought to the bitter end, which resulted in Gordon's favor, 5—4. In the spotlight was Ian Richardson who time after time battled the ball into the Gordon zone, finally getting a goal. The big gun of the evening was Leo Konyk who fired 2 goals past the Gordon rear guard. Ab. Glovitski from the half line fired in the other counter. In the rear guard protecting "Jazzy" Ingaldson were Ed Leipz and Barry Krawchuk. Up front were Henry Small and Joe Krutish our speedy wingmen. Ingaldson, the goalie, was pulled out to play forward in the late stages. In their second encounter against Newton's North-End rivals, the Techmen, Newton performed spectacularly under the inspiration of the Newton

cheerleaders. Tech took the lead on a disputed goal. After stopping Pankhurst, time and time again, "Gabby" finally slipped one past Ingaldson to make the score 2—0. In the second half Ed Leipz our fiery fullback placed a blazing drive in the top left hand corner and the score stood 2—1. Krutish, Richardson, Konyk and Small played brilliantly up front, while Leipz, Krawchuk, and Ingaldson performed yeomen service in the back positions. On defeating a fighting Newton squad, Tech went on to capture the crown.

Under the guidance of Mr. Fraser and Mr. Avery, the boys displayed great enthusiasm, and both the school and team thank them for their interest in soccer at Newton.

Basketball . . .

OUR JUNIOR CAGERS

Brought Home the Bacon . . .

Sixteen games played, sixteen games won and Newton finally had a Junior Championship by wresting it away from the domineering Daniel Mac squad.

The young cagers wrapped up a 12 game schedule without even a threat from the second place Kelvin quintet who ended up with a 7 won and 5 lost record. The stiffest competition during the schedule was offered by the once mighty Daniel Mac team and the last place Gordon Bell squad. Such steady performers as Krywonis, Dolhun, Pura, Shukster and Kostiuk overcame any first-half deficits and went on undefeated. Our traditional Tech rivals offered us very little trouble.

The Norwester's keenest and softest competition was not witnessed in the regular schedule but in the four exhibition games. At a basketball game and dance Newton had the fans in a frenzy as they edged a fighting Norwood Collegiate outfit 36—32 after being extended into two overtime periods. The following day the Juniors journeyed to Portage and solidly trounced a disorganized Portage squad 61—10. Bob Kostiuk ran wild over this weekend by swishing through 17 and 30 respectively. Our next most consistent point getter was "Iron Man" Joe Pura. Laurie Ostry, Bernie Shukster, George Klohn, and Ed Dolhun also had their turns as top scorers.

We would like to congratulate Mr. Madder the genial manager of the team who did such a splendid job, although it was his first year in Newton. Also much of the credit is due to the untiring patience of the coaches, Ketchen, Ingaldson, and Komishon. Their keen ingenuity and outstanding masterminding paid off in an undefeated series and Championship.

Members of the team are as follows:
Joe "Elbows" Pura — High scoring guard. Snares rebounds under either bucket.

Ernie "Tex" Krywonis — Keen defensive guard. Deadly on his two hand jump shot.

Bob "Bingo" Kostiuk — Captain, wing and high scorer. Enjoys outjumping taller opponents.

Bernie "No Nickname" Shukster — Centre, steady and defensive player. Serious threat from anywhere on floor.

Ed "Shorts" Dolhun — Patrols left wing like a speed demon. One hand push-shot artist.

Laurie "Lover Boy" Ostry — Fortunately for the team, he runs hot when the chips are down.

George "Hooker" Klohn — Tremendous height and deadly set shots. Was a great asset to the team.

Orest "Orky" Bartman — Pops them from the hip and keeps everybody wondering how.

Don "Donuts" Schaefer — Reversed from minute man to hour man. Most improved player.

Irvin "Buck" Bakun — Sidelined for part of season, but finished in fine style.

OUR SENIOR SQUAD . . .

The Newton Senior Basketball team had to drop from Inter-High competition, because organized players were not allowed to play. The Senior Boys wished to show their talents, and therefore they arranged for exhibition games. The first game was against Portage on their home grounds. We outplayed in every field and won 43—27. The next game was against Portage at Sargent to the tune of 59—22. We lost the next game to Glenlawn by a narrow margin of 44—43. The Senior Boys outlasted the Glenlawn boys in the next match 52—48. Congratulations to Mr. Madder for his enthusiastic aid in organizing the game and practices. Hal Mauthe, former students, should not be forgotten for his great coaching through the short season.

Boys' Inter-Mural Competition

Volley-Ball

In the volleyball scene, all rooms were represented, but because one loss dropped a team from further competition, many teams did not get a chance to really enjoy the game. Room 14 defeated Room 1 in the playoffs and for the second straight year Room 14 holds the school Championship.

Basket-Ball

The Inter-Room basketball schedule was run off in a very orderly and well organized fashion. Room 14A, better known as "Harlem", won the honour of being School Champs by ousting Room 18 and Room 7 in the play-offs.

Hockey

Once again the Olympic Rink was the scene of the Inter-Room Hockey final. Room 3 emerged as proud possessors of the pennant by virtue of

the 7—6 triumph over Room 15. Mickoski led the parade with 4 goals, followed by Borchynski with 2, and Malyska with one. Zakala with 4, and Nicholson with one each scored for 15.

Our Classy Cheerleaders . . .

This year, thanks to the fine efforts of Janet Carter, our cheerleaders were the snappiest-dressed 'spirit-builders' in any city High School. Their expert display of cheers, tricky acrobatics and

sharp actions, won them raves at rugby, soccer and basketball games. We are all proud of them — let them yell a little louder. Yea Newton !! Rah ! Rah ! Rah !

Curling . . .

Our Curling Kings . . .

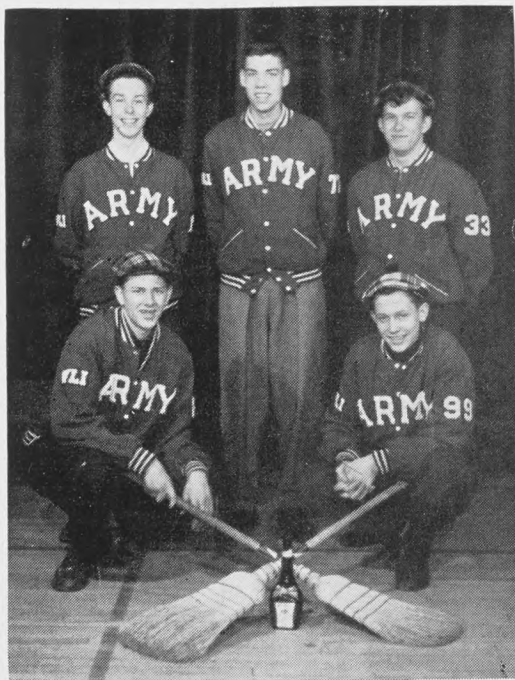

Our curling greats skipped by Bob Ketchen again entered the High School Bonspiel only to bow out in the sixteens. On the jaunt to Brandon, however, they emerged victorious and walked off with prizes in the Brandon Bonspiel. The team composed of Bob Ketchen (skip), Jim Komishon, Fred Ingaldson, Ian Richardson are looking for a Manitoba Title in the coming year.

GIRLS' SPORTS

Inter-High Volleyball Loop

Our Jr. Squad . . .

Our Jr. Team did not succeed in retaining the cup this year but the girls showed wonderful enthusiasm and great spirit at every game.

Although they ended the schedule without a win, the team had many fine volleyball players in Shirley Doern (Captain) and her crew.

The girls played their best game in the last of the series at St. Johns' when they were nosed out by one point.

We feel sure that under the able coaching of Miss MacKay and with a

little more practice that next year the girls will bring the coveted Senior Cup

back to its resting place — Newton. Better luck next year, Girls!

Our Spiking Seniors . . .

The Senior girls, Inter-High Volleyball team, under the supervision of Miss MacKay, experienced a fairly successful season. Our girls showed great form and worked on the floor, both at practices and at the scheduled games. This year again, the intricate three-way pass was mastered by the girls, only because of their terrific teamwork. Jean Fuga, their energetic captain injected plenty of spirit. The "Newtonites" were sparked with top-notch point-getters, who with more practice would have combined to make a championship squad.

The team consisted of the following players:—

Jean "Tigs" Fuga — the influential captain; Irene "Les" Leschynski; Mary "Mitch" Michalewski; Lillian "Lebo" Starin; Polly "Babe" Zajankowski; Evelyn "Rosy" Rosnyk; Grace "Clipper" Durban; Helen "Tim" Tymchak; Virginia "Ginny" Squirk; Marge "Fireball" Brown; Irene "Schooley Keed" Scholl; Vi "Blackie" Smalakoff; Sylvia "Starchy" Stark; Sonja "Sonny" Galazyk, line keeper; Joan "Stretch" Heffel, time keeper; Angie "Gutch" Golovitch, scorekeeper; Miss MacKay supplied the gum.

Our girls defeated Balmoral Hall, St. John's, Gordon Bell, and Daniel Mac; but they were overtaken by Lord Selkirk and Kelvin.

At the wind-up of the season they were credited with four wins and two losses.

INTER-MURAL COMPETITION

Volleyball

This year the intermural pennants were won by Room 16 of the Seniors and Room 2 of the Juniors. The winners did not have an easy task for most of the rooms were evenly matched and competition was keen. In the school finals Room 16 defeated Room 2 to the tune of 58—26. The girls showed that they enjoyed the competition by their enthusiasm and attendance.

Junior Basketball

Our Jr. Hoopsters . . .

This year our Junior Cagers went through their schedule with 1 win, 1 tie and 3 losses. At the beginning of their schedule the girls were unfamiliar with the game, but as the season was drawing to a close they began to show some real form. In the last game at Balmoral Hall the girls played their best brand of ball and brought home their only victory.

The girls showed considerable talent for their first year of basketball. They displayed good ball handling and fine co-operation at every game. Audrey Mirus, Dorothy Kozak, Joan Lawton and Lucille Paul are only a few members of the team who turned in impressive games. The team extend their thanks to Miss MacKay (manager) and coaches Albert Glovitski and Bob Neblouch, who helped them through their first year.

INTER-MURAL BASKETBALL

The inter-mural competition gave Newton's cage fans a chance to show their talents and was in every way successful. The Senior pennant was won by Room 14 - Room 20 combination, who downed Room 9 and Room 16 in a sudden death finale. The Junior pennant was won by Room 11, but they lost to the Seniors (27-17) for the School Championship.

Senior Basketball

Our Champion Court Queens . . .

The Senior Girls hustled to capture the City Championship by winning "8 out of 10" scheduled games!! A few terrifically close battles were fought but in the majority of the games they over took the opponents by a wide margin. They were definitely the best team of hoopsters, Newton has seen for a long time. Our gals could not be out-classed in speed or skill. The girls wound up the series with 247 points out of a total of 425.

ISAAC NEWTON MEMORIAL TROPHY 1950-1951

Pauline Zajankowski

Outstanding girl athlete at Isaac Newton this year is, beyond all doubt, Polly Zajankowski, the popular choice of the girls' Sports Representatives for the Isaac Newton Memorial Trophy. From the first few days in High School, it was evident that Polly would make her mark in athletic circles as she won a place on the School teams in volleyball and basketball.

This year Polly sparked the Senior Girls' Basketball Team to win the City Championship and to shake the confidence of the provincial contenders. In Track and Field she placed first in the ball-throw for two years and yielded first place this year by a mere foot.

Not only is she a good player but an excellent organizer, whose popularity with her classmates is shown by the fact that she has been elected Sports Captain each year in succession.

Outside school circles, Polly plays first base for the I.P.A.C. Senior B Softball Team.

Her friendliness and consideration has brought her wide acclaim from both teachers and students.

CONGRATULATIONS POLLY, YOU'VE BEEN A SWELL SPORT TO PLAY WITH AND A GOOD FRIEND TO HAVE AROUND!

PETER KALYTA MEMORIAL TROPHY 1950-1951

Joe Krutish

This year's winner of the Peter Kalyta Memorial Trophy, Joe Krutish, has achieved the honor of being selected as the top athlete at Newton, by his sportsmanship, his all-round athletic prowess, and his co-operative spirit.

On the gridiron Joe, in the backfield, was full of bustle and drive, and was chosen for the high school All-Star Team. The record shows that Joe was right at home on the soccer field, too. The most deadly forward on the Senior crew, he sniped more than half of the total goals scored by the team.

During the winter months, Joe captained his room to the semi-final of the Inter-class hockey schedule and was an outstanding member of Room 17's basketball and volleyball teams. To crown his achievements for the year, this modest athlete won the 100-yard dash, and placed second in the half-mile at our own Track and Field Meet, and picked up three points at the Inter-High Meet to add to Newton's total.

HATS OFF TO AN OUTSTANDING CHAMPION!

Newton's Christmas Spirit . . .

"Peace on earth goodwill to man" — the old familiar phrase was passed on by Newton students to the enthusiastic audience which crowded the Prosvita Hall. In a variety of ways our artists tried to create a religious, cheery atmosphere and promote a merry Christmas spirit. Indeed, they were very successful.

Almost at once, the audience was spurred into the joy of the Yuletide Season by the mixed choir, which sang three lively selections.

The girls also exhibited their fine talent in the singing of carols. Their work was highlighted by the special arrangement of "O Holy Night". Both choirs were under the able direction of our charming director Miss Evelyn Knapp.

Next, our handsome young pianist stepped into the spotlight. In spite of the few flat keys on the piano, Gilbert Munroe was able to earn three encores.

The two soloists of the evening, Orysia Perich and Norma Lewicki sang selections from Handel's "Messiah". In these difficult pieces they showed the flexibility and richness of their voices.

No professional ballet could out do Newton's graceful Ballerinas! They glided across the stage to the flowing rhythm of the waltz and marched to the lively phrases of the brass instruments—even Tchaikowsky would have been astonished (we were).

"He leaps through the air with the greatest of ease"—but who was our vigorous young Russian? No one could surpass the swiftness of Nick Pidmurny who danced the "Trepak". Finely contrasted with this, were the delicate movements of Janet Carter, the sugar plum fairy.

This performance of dances from the "Nutcracker Suite" delighted and excited the entire audience. Newton is

sincerely indebted to Miss Jean MacKay for its dancing success.

In addition to our fine student talent, we had the aid of an expert movie producer, Mr. Lind, who presented a reading and film of Dickens' "Christmas Carol".

The audience finally settled down with an air of peace and quietness. The curtain went up and there stood a group of wondering shepherds! When our angels appeared on the scene, we wondered if they hadn't truly come from Heaven. Mary and Joseph gave very convincing performances together with the Holy Babe. The Three Kings were portrayed very well and showed promising voices as well as acting ability. The voices of the narrator and the off-stage choir both helped to create a good background and furnish a peaceful mood. The beauty and stillness lent by this pageant ended Newton's successful concert and left a real Christman spirit. The excellence of this performance was due to the hard work and careful instruction of Miss Edith Nelson.

Throughout the entire concert our able pianist, Miss Lillian Karpinka lent her talents to support the performers. We heartily thank her.

O HOLY NIGHT

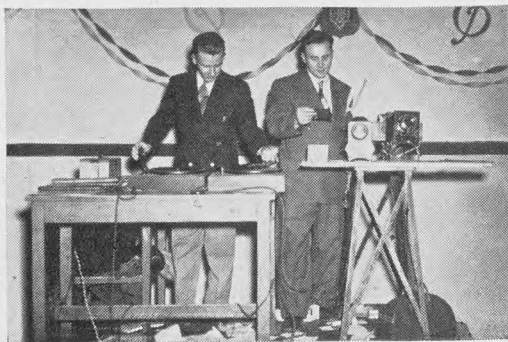

*O Holy Night, the stars are brightly
shining,
It is the night of the dear Saviour's
birth.
Long lay the world in sin and error
pining,
'Til He appeared and the soul felt its
worth.
A thrill of hope the weary world
rejoices
For yonder lies a new and glorious
morn.
Fall on your knees,
O hear the angel voices,
O night divine,
O night when Christ was born,
O night divine, O night, O night divine.*

FESTIVAL

Newton went all out for the festival this year, entering a Girls' Glee Club, Boys' Choir, Mixed Choir, and three classroom choirs. This has meant many hours of work for Miss Knapp and the students in the various choirs.

Special interest was centered on the classroom competition with the Grade XII's defending the Daniel MacIntyre Trophy. The Grade X's were represented by Rooms 5 and 15, Grade XI's by Room 17 and 9 and the Grade XII's by Rooms 14 and 16. Despite the girls best efforts, the trophy did not return to

Newton for another year. For their selections, the Boy's Choir sang "Linden Lea" and "The Sailor's Letter." Later in the evening they joined the girls to sing "O Come You From Newcastle" and "Trade Winds". Adjudicator Gordon Thorne praised the Girls' Choir for "unity" and "lovely interweaving of parts." All participants and Miss Knapp deserve congratulations for their fine performances.

MELODY

*Her name was Melody,
How it suited her oh!
From her laughing blue eyes
To the tips of her toes.*

*With her yellow hair flying,
In the breeze, as she ran
O'er hills and fields
And green meadow-lands.*

*And as she scurried about
Without thought or care,
T'is no wonder a Song-Writer thought
She was the answer to his prayer.*

POWER OF SIMPLICITY

It is often more difficult to be simple than to be complex. An explanation, an apology, a compliment can be effectively made in a few simple words. A nod of the head can equal a volume. Truth, dignity, understanding, are all simple things and can be simply expressed.

University Scholarships

For Manitoba War Veterans
and their Sons and Daughters

The six licensed Manitoba Brewers and all the licensed Hotel-keepers in the Province have offered \$15,000.00 to the University of Manitoba to provide scholarships for Manitoba War Veterans not otherwise adequately provided for and for the sons and daughters of Manitoba War Veterans.

The Trustees of Manitoba Brewers and Hotelmen's Welfare Fund offer Thirty Scholarships to be held in the academic year 1951-52.
